SEA SICKNESS—SEA SICKNESS.—DR. KELLINGER'S great discovery for preventing and relieving this awful dread of the ocean, will eventually induce thousands to travel who have remained at home for foar of the unpleasant consequences that so generally follow a voyage to sea. The Doctor's name will be borne in grateful remembrance—earried over the broad Atlantic, and the glad tidings spread over the face of creation. Captain M. Berry, of the steamer Marian, Pier No. 4 North River, says that he never leaves port without it, as it saves him great trouble in giving almost instant relief to those who travel, and often preventing the attack, by taking the remedy as the symptom approach. No one unaccustomed to the sea, should leave without it. So it at 220 Pearl street, and at the Doctor's Central Depot. 476 Broadway, between Grand and Broome streets—white frent.

MR. JAMES J. BEVINS, BOARDING OFFICER IN
the United States Service, writes thus:—Dr. Killinger,
Dear Sir—For several years I have used your Limiment in
y family with never failing success, for all manner of aches,
pains, sores, cuts, and bruises—it has repeatedly cured fine
of had colds. From the nature of my business, I am exposed
to all weather—go I must when duty calls. Notwithstanding the many successful trials, it has recently surpassed
all former administrations, with a deep-seated cold and infilamation of the lungs, in which it acts like magic; one of
your dollar bottles inside of three days entirely broke up all
my trouble. Also, most severe and exerucisting cramps of
the stomach were immediately relieved. Surely no family
ought or will be without it after a trial. Residence Eighty
sifth street, Yorkville, near Mr. L. Rogers Hotel. Respectfully yours,

Valuable Land on York River, it is the followed by divining for cale.—The undersigned intending to change his residence, offers for sale his lands, lying in York county, in the State of Virginia. This Estate is situate immediately on York river, extending more than two miles on its banks, and contains 2,300 acres. Of this, about seven hundred acres are cleared, and having been recently limed and washed, is in a state of productiveness not often to be met with in an estate of such extent. The fields are anumally producing about one thousand barrels of corn, and two thousand bushels of wheat, and will continue to increase with every rotation, by the renewal of the application of marler limels to be found on the land, and the greatest facilities exist for improving the soil to any extent desired. But the chief attraction, in the opinion of the proprietory, to Northern expitalists, is to be found in the large quantities of Pine and Oak wood which are new growing on the land. Of Pine wood, there is between 25,000 and 30,000 cords, of excellent quality, which now readily soils for a high price to Northern vossels, and which must centimue to increase in price, as the quantity diminishes. This is rapidly becoming the case, and the price of lands is being enhanced greatly. It is believed that the wood alone will say long the price to write the are prechase. He confidently offers these lands for rule to any person or persons, and will, if the deems a more detailed account of them superfluous, as he presumes those dispoved to purchase money is paid a short time after purchase. He confidently offers these lands for rule to any person or persons, and will, the lands. Communications addressed to him, at Williamshurg, Virginia, post paid, will be attended to. Should the proprietor not effect a sale before the first of July, he will sell them publicly on the Lith of that month; to take effect on th
